HB 2019 – Chapter 19 – acupuncture board; continuation

Continues the Arizona Acupuncture Board of Examiners until July 1, 2018.

HB 2020 – Chapter 20 – pharmacy board; omnibus

Allows the manufacturing of drugs by non-pharmacists, and eliminates the requirement that licensees of the Board of Pharmacy display their licenses in public view.

HB 2036 – Chapter 203 – state hospital employees; disease testing

Allows the Department of Health Services and employees of the Arizona State Hospital (ASH) to petition the court for an order authorizing testing of a patient's blood for diseases, if the patient may have assaulted an employee of ASH.

HB 2208 – Chapter 158 – *graduate medical education; federal match

Allows local, county, and tribal governments to draw down federal funds for costs incurred pursuant to contracts between the Arizona Health Care Cost Containment System (AHCCCS) and its providers to provide graduate medical education services as an administrative activity, and requires this to be approved by AHCCCS and the Centers for Medicare and Medicaid Services.

HB 2268 – Chapter 100 – osteopathic board; omnibus

Includes a variety of provisions related to the Board of Osteopathic Examiners in Medicine and Surgery (Board). Changes statutes regarding the Board's powers and duties, the maintenance of records, the Executive Director's duties, the issuance of training permits, the regulation of retired physicians, and the dispensing of drugs. Additionally, adds, strikes, and modifies several definitions.

HB 2274 – Chapter 44 – nursing care administrators; disciplinary actions

Requires the Board of Nursing Care Institution Administrators and Assisted Living Facility Managers (Board) to consider a non-response to a complaint and notice of hearing by a licensee or certificate holder as an admission to the allegations, and allows the Board to take formal disciplinary action against the licensee or certificate holder without conducting a formal hearing. However, it also establishes a procedure for the Board to set aside a default admission for good cause within 180 days of the default admission.

HB 2325 – Chapter 134 [P 108] – behavioral health examiners; omnibus

Allows the Board of Behavioral Health Examiners to establish a confidential monitoring program for licensees enrolled in chemical dependency rehabilitation programs. Raises the limit on licensure fees and modifies license reciprocity requirements.

HB 2365 – Chapter 103 [E] – emergency medical services; protocols

Requires the Medical Director of Emergency Medical Services (EMS) and the EMS Council to make recommendations for standards to allow an ambulance to transport patients to licensed specialty hospitals that are physically attached to an emergency receiving facility. Allows the Department of Health Services to authorize persons and organizations to use Arizona State Trauma Registry data for specified purposes.

HB 2366 – Chapter 66 [E] – DHS; licensing; electronic licensing

HB 2521 – Chapter 52 – birth defects; folic acid supplements

Allows the Department of Health Services (DHS) and the Department of Economic Security to use Chronic Disease Surveillance System data to notify families of children with birth defects of services available to them, and requires DHS to authorize other entities to distribute folic acid supplements and provide other related services.

HB 2582 – Chapter 149 – food safety regulation

Makes changes to the exemptions that exist for food and drink safety regulation.

HB 2682 – Chapter 167 – *physician assistants; qualifications

Provides the Board of Physician Assistants greater discretion in considering applications for licensure when the applicant has been the subject of disciplinary action in another jurisdiction or has surrendered a license in another jurisdiction.

HB 2802 – Chapter 225 – newborns; testing; confidentiality

Requires the State Laboratory to be the only testing facility for the Newborn Screening Program and requires test results be kept confidential except as allowed by statute.

HB 2823 – Chapter 281 – patient care; presumptions

Moves the location in statute of language that prohibits surrogate decision makers from withdrawing the artificial administration of food or fluid, and requires the Superior Court to issue a temporary order directing compliance with that statute. Modifies the conditions under which a patient's domestic partner would be deemed the surrogate when a health care directive and court appointed guardian do not exist.

SB 1078 – Chapter 12 – infectious diseases; expedited therapy

Adds an exception to the definition of *unprofessional conduct* for certain health professionals allowing them to expedite therapy for persons exposed to other persons who have communicable diseases.

SB 1091 – Chapter 123 – Arizona medical board

Requires medical licensure applicants to complete a training unit on the Arizona Medical Board's (Board) statutes and rules, and prohibits persons who in good faith examine physicians pursuant to Board investigations from being the subjects of causes of action based on their examinations.

SB 1113 – Chapter 13 – HIV-related testing

Modifies the informed consent requirements for HIV-related testing.

SB 1116 – Chapter 14 – physician assistants board; continuation

Continues the Arizona Regulatory Board of Physician Assistants until July 1, 2018.

SB 1117 – Chapter 292 [E] – hospitals; single group licenses

Expands the number of satellite facilities for which a hospital may receive a single group license, and increases the distance from the main hospital building that satellite facilities under a single group license may be located in rural counties. Allows a hospital for which operations have not been terminated for more than 120 days to be relicensed pursuant to the standards applicable under its most recent license, if relicensed by October 1, 2008.
